

CHSMC VIRTUAL ACADEMY SUMMER 2021

5th July - 3rd September (8 weeks)

Santa Maria Recess 9th - 15th August

We are pleased to launch our Virtual Academy's summer programmes for Summer 2021! Following the great success of our Virtual Academy during its first year, we have put together an amazing new schedule for the forthcoming summer months. Whilst keeping our popular programmes, we have designed new ones to widen the learning opportunities made available to different learners across all levels. NEW to this year's schedule are several programmes focusing on the Creative Arts that we have proudly designed with the School of Performing Arts (SOPA). We are positive that all young learners will find learning opportunities to excite them during the summer months whilst in the comfort and safety of their home!
